OSP ENGINEERING TECHNICIAN

Valley TeleCom Group is seeking a qualified individual for the position of Outside Plant Engineering Technician. This person will design fiber optic and copper networks that will provide broadband services to our members and customers. These tasks include research, planning, designing, permitting, estimating, budgeting, and tracking fiber optic expansion projects. This position is responsible for preparing and interpreting engineering plans, drawings, and reports as well as planning FTTH networks for existing and new serving areas for various construction and maintenance needs such as but not limited to new construction and maintaining legacy copper facilities. This position will work on mapping software designing layouts/plans and procuring proper permits and right of ways along with coordination with in-house construction and outside contractors.

This position will report to Willcox, AZ or Safford, AZ depending on applicant's location. Minimum starting pay rate is $23.00 per hour, actual pay rate to be determined based on applicant's skills, education, and experience.

Requires a high school diploma or GED. Combination of related work experience and/or training in related field equal to a total of 3 years is desired but not essential. Knowledge of outside Plant Construction practices is desirable but not essential.

Health, dental and vision insurance, 401(k) plan, retirement plan, Paid Time Off (PTO), life insurance, and long-term disability.

Applications and complete job descriptions may be obtained from our web site: www.vtc.net OR requested by calling 520-384-2231 or 1-800-421-5711. You may also pick one up at our headquarters located at 752 E. Maley Street, Willcox, AZ. This position will be open until filled. Please submit applications to: Valley Telephone Cooperative, Inc., P.O. Box 970, Willcox, AZ 85644. Attn: EMPLOYMENT. You may also fax your application to: 520-826-1848 or email them to: employment@teamvtg.net. A post-offer, pre-employment drug test, motor vehicle driving record and background check will be conducted. EOE
