This Agreement specifically does not cover the cost of any repairs or recovery efforts due to such an attack. This includes, but is not limited to, hacking, viruses, deletion of files, hardware damage and business damage due to a willful attack. Although under this Agreement VALLEY CONNECTIONS may have the responsibility to oversee CUSTOMER's security, backup and business continuation systems such as firewalls, anti-virus software and backup software/hardware, VALLEY CONNECTIONS cannot be held responsible for attacks which are designed to circumvent these safeguards and successfully attack CUSTOMER.

Therefore, in the event CUSTOMER violates this provision, CUSTOMER shall immediately pay VALLEY CONNECTIONS an amount equal to the employee's total annual

compensation as liquidated damages, and VALLEY CONNECTIONS shall have the option to terminate this Agreement without further notice or liability to CUSTOMER. 10. Term and Termination

10.1. In the event any sum of money owed by CUSTOMER is not paid when due and remains unpaid for thirty (30) days or more, or if CUSTOMER defaults in the performance of any other obligation under this Agreement, VALLEY CONNECTIONS may terminate this Agreement by giving CUSTOMER ten (10) days' written notice. Any billing disputes must be submitted to VALLEY CONNECTIONS within thirty (30) days from date of invoice.

10.2. VALLEY CONNECTIONS may immediately terminate this Agreement by written notice to CUSTOMER, and CUSTOMER shall be in default hereunder, if CUSTOMER becomes insolvent, liquidates, makes a general assignment for the benefit of creditors, files a voluntary petition of bankruptcy, suffers or permits the appointment of a receiver for its business or assets, or becomes subject to any proceedings under any bankruptcy or insolvency law, voluntarily or otherwise. If any of the above occurs, CUSTOMER shall immediately notify VALLEY CONNECTIONS of such an occurrence.

10.3. VALLEY CONNECTIONS shall have the right to terminate this Agreement, without cause, upon thirty (30) days' prior written notice to CUSTOMER.

10.4. If for any reason the CUSTOMER chooses to terminate the Agreement before the full duration of the then-current term, the termination fee payable to VALLEY CONNECTIONS is one hundred percent (100%) of the then-current rate for the remaining term on this Agreement, in addition to any previous outstanding balance on the CUSTOMER's account.

10.5. All Technology Agreements shall have the initial term of three (3) years, unless otherwise specified on the Sales Order. The term of each agreement will start with the date of the service installation unless otherwise specified on the Sales Order. For the duration of this Agreement or any subsequent renewal, CUSTOMER shall obtain absolutely no ownership interest in any equipment, software or components outlined in this Agreement.

15. Severability

15.1. If any provision of this Agreement is held to be illegal, invalid or unenforceable, such provision will be fully severable and this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision never comprised a part hereof, and the remaining provisions hereof will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or its severance herefrom. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there will be added automatically, as part of this Agreement, a provision as similar in its terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

16. Waiver

16.1. The waiver by a Party hereto of any default hereunder will not be deemed to be a waiver of subsequent defaults of the same or different kind. The failure of any Party to act will not and of itself be construed as a waiver.

17. Costs, Expenses and Legal Fees

17.1. In the event of any dispute or litigation concerning any controversy or claim between the Parties hereto arising out of or relating to this Agreement, or the breach hereof, either Party may request that in addition to determining the respective rights and obligations of the Parties, the finder of fact determines which Party is the "prevailing Party," and the prevailing Party will be entitled to recover from the other Party its reasonable expenses, attorneys' fees and costs incurred in connection with the investigation, prosecution and defense thereof, or the enforcement or collection of any judgment or award rendered therein.

18. Governing Law
