Signing up for Valley TeleCom Group's SmartHub

Step One: Click "Sign up to access our Self Service site"

**Step Two:** Enter your account number, last name or business name, and e-mail address.

Please note: If viewing a January 2019 or older statement, your new account number is your customer number without the dash. For example: Customer number 58555-001 is account number 58555001.

Step Three: Choose a security question from each drop down and type in the corresponding answer. The information must match the information on your account. Please call 800-421-5711 if you need assistance. Check the "I'm not a robot" box and then click submit.

Please answer the following about the account that you are trying to register in order to protect you against identity theft.
