New Mexico State Lifeline is a state benefit that makes monthly telephone service more affordable for eligible households. Your household may receive the Lifeline benefit for **one fixed home telephone OR one mobile service, but not both**. Your household may not receive the Lifeline benefit from more than one service provider. For the purpose of Lifeline, a household is an individual or any group of individuals who live together at the same address and share income and expenses. You may not transfer your Lifeline benefit to another person, even if he or she is eligible. You may lose your Lifeline benefit and may be prosecuted by the United States government if you violate the one-per-household rule or otherwise make false statements to receive the Lifeline benefit.
